SIGN UP for the afterschool CHESS and/or SCIENCE CLASS TODAY!
All levels are welcome, from beginner to advanced! Space is limited!

---Session Description---

- During the 6-week session of afterschool chess, each child shall receive a magnetic chess set, weekly chess lessons, and a chess medal for participating. The title of this session is called "Bizarre Chess Games." In it, we will examine and learn from some of the oddest chess positions of all time! Some of these chess positions are so unusual that even a chess computer can't understand them!
- During the science portion of the class, students will undertake science projects that they will often put together themselves. A detailed lecture will precede each project so that the students understand the scientific principles involved in each activity. Students will also receive worksheets and will have the opportunity to earn a science medal as well.
- Students may sign up for either chess or science, or both classes.

❖ Here is the schedule of science lessons and/or projects:

Week 1: Spooky House Movie Set

Week 5: Salt Crystal Trees

Week 2: Planting Seeds

Week 6: Atomic Structure

Week 3: Gemstone Identification

Week 4: Melting Metals

---Session Information---

Dates: Tuesdays, 10/29, 11/5, 11/12, 11/19, 12/3, 12/10

Grades: K – 5th

Times: 1:35 – 3:35 p.m. (1:35 – 2:35 for chess and 2:35 – 3:35 for science).

Meeting Place: Lunch Shelter.

Fee: \$220 for BOTH the chess AND science classes. If you wish to sign up for ONLY the chess class, the fee is \$115. If you wish to sign up for ONLY the science class, the fee is \$120. The chess portion will run for the first hour, right after school, and the science portion will run right after.

Space is limited! Registration is handled on a first come, first serve basis.
